Issue 4: October 2010

Welcome to our fourth newsletter. Read on to find out about new partnerships and customers, our award nomination and our first foray in to supporting local causes.

USBE Exhibition Debut

November will see USBE's exhibition debut. Since its launch in 2009, USBE has gained a steady stream of customers without any active promotion.

A marketing campaign designed to raise awareness of USBE will commence next month, kicking off at the British Cheque & Credit Association Annual Conference.

Prepaid Award Finalists

We were recently selected as a finalist for the 'Best Prepaid Service Provider' award by the judges of the 2010 Prepaid Awards. Beating hundreds of other entries to make it in to the top four, we were thrilled to receive this recognition. To find out more about the other finalists and the ceremony [click here](#).

Carats, a member of the BCCA and our very first USBE customer, will also be attending the event and taking part in a case study with us.

Stored Value 6 Release

SV 6 is due for Release at the end of October. Our Development Team have been working tirelessly throughout the year to bring UltraPoS in line with PCI regulations and achieve certification. Most of the changes will be 'behind the scenes', we will send you notification of the date this is due to go live shortly.

SCL Heads 'Down Under'

August saw the deployment of UltraPoS in 42 bureaux de change in Australia. UltraPoS' reach in Australia is set to expand this month with the launch of a new travel money card program which is due to be released across a staggering 3500 retail outlets!

Thinking 'inside' the box

'Insurance in a box' was launched across a number of TUI UK's First Choice and Thomson branches in August. Available in -store this new travel insurance product is being sold and managed via UltraPoS, with the customer activating the policy via the internet or by telephone.

UltraPoS 2010 Milestone

We are excited to announce that UltraPoS is fast approaching its 30 millionth prepaid card sale, we expect to hit this milestone before Christmas this year. With UltraPoS managing 11% more sales year-to-date than last year, the holiday period looks set to be a busy one.

SCL Supports Local U.16s Football Team

SCL ensured recently promoted Maidenbower Utd were able to make their Division C Under 16s Horsham & District Youth Football League debut. With the team budget exhausted by costly referee and ground hire fees, SCL offered support by purchasing football kits and training equipment. The 4-3 victory in the first match shows a promising season ahead!
